

## Miss Chiu's Book Sharing

|                                |  |
|--------------------------------|--|
| <b>Title :</b>                 | <u>The Usborne Big Book of Science things to Make and Do</u>   |
| <b>Author or Publisher :</b>   | <u>Rebecca Gilpin and Leonie Pratt / Usborne</u>   |
| <b>Content &amp; Comment :</b> | <p><u>In this book you can learn how to make things such as 'Mirror magic' on P.40, 'Floating ice boat' on P.43 and 'Zooming balloon rocket' on P.49.</u></p> <p><u>You can also learn how to cook food like 'Melted chocolate circles' on P.30, 'Tasty bread rolls' on P.70 and 'Lemon slice ice cubes' on P.42.</u></p> <p><u>Have you ever used lemon juice, salt and tea to draw pictures? You can learn how to draw in different ways. For example, 'Tea-painted crocodile' on P.46 and 'Salty dragon painting' on P.72.</u></p> <p><u>I like this book because it is interesting, creative and practical. There are over fifty fantastically fun projects that use easy-to-find everyday materials to make things that fly, spin and zoom.</u></p> |
| <b>Source of the Book :</b>    | <u>You can find this book "The Usborne Big Book of Science Things to Make and Do" on the bookshelf of 500 Natural Science in our school library.</u>   |
