ATHLETIC MEET

This is the first year for me to join the District Athletic Meet. I thought the athletes were stronger than me the first time I met them. I encouraged myself to do my best in the competition.

I stepped on the balkline in my first jump, but I tried to adjust my starting position and finished my second and third attempts with my best might.

Before lunchtime, I read the result board and surprisingly I found I won the gold medal in the long jump.

I appreciate the trainer who gave me guidance and the opportunity to join the competition.

I won second place in the long jump on athletics day held on 17th November, 2023. I felt great as I had tried my best in the race and achieved my personal best. I am honoured to be part of the school team. I hope I can have a better result next time.

SCHOOL PICNIC

WRITTEN BY NG TSZ KEI DENISE (P.3B)

The twenty-first of November was our school picnic day. It was a warm and sunny morning. Charlotte and I went to Lai Chi Kok Park by school bus with our classmates and class teacher. I felt glad!

When we arrived, we saw some elderly people playing Tai Chi and there were some turtles and fish in the pond. The park was big and we saw some flowers and trees. We were close to nature.

Then we took photos, played on slides and had a picnic. We prepared a lot of food such as chicken wings, sushi and snacks. They were very yummy. We had an enjoyable meal!

After our delicious meal, we joined the school colouring competition. We needed to colour two Kei Wan students. We could draw our campus in the background.

At last, we returned to school happily. We all had a wonderful day in the park.

The twenty-first of November was the school picnic. The day before, I packed a lot of snacks, including four boxes of Pocky, nine packs of pineapple crackers, eight sausages and a lot more.

My friends also brought some snacks. Trenton brought two boxes of chicken wings, Siu Mai, fish balls and a bottle of grape juice. Mason brought some gummy bears, jelly, chocolate and a lot more. We shared the food and they were yummy!

Near the end of the picnic, we played hide and seek. It was fun! After this school picnic, I feel great and hope I can join the school picnic again next time.

On the twenty-first of November, my class and I went to Lai Chi Kok Park by school bus.

When we got there, Denise and I took photos of nature. It was so beautiful. We played on slides and see-saws too! It was so fun!

When it was time to eat, we ate a lot of food and snacks. It was so yummy and delicious.

Then we ate all our food. We coloured our pictures for a short time. Next we went for a walk in the park. There were a lot of trees and butterflies.

After that, we went to a lake. The water was blurry but I could still see the animals. There were a lot of fish and turtles.

Finally we went back to school. That day was so much fun! We were so happy. I hope next time I can go back to that park.
