Looking forward to admitting more brilliant students from your esteemed school in future, we would be pleased to deliver an admission talk either at your school or online (e.g. during an online talk of secondary school places allocation for parents held by your school) so that your teachers, pupils and parents can understand more about the features and development of our school. Just contact us at 2570 6665 or complete the form attached and return it to us. We would try to fit in with your schedule as far as possible.

Moreover, we are delighted to share with you our newly published school newspaper, *ECHO*, which can provide a glimpse of the school life of our students and the development of our school, in appreciation of your continued support. We hope your staff will find much pleasure in reading the material.
